## SHOP 'n SAVE S.E.E.D. Program Preschool – Grade 8

As school budget cutbacks affect your ability to offer valuable outreach education programs, remember that your school can participate in a free, in-school program sponsored by SHOP 'n SAVE: the 2011-2012 Students Extra Educational Development Program (S.E.E.D.).

Educators are challenged every day to make their curriculum interesting and exciting. Each year, more than 100,000 area students in 400 schools are treated to fun, hands-on, learning experiences.

Just coordinate a SHOP 'n SAVE grocery receipt collection drive (\$250 worth of receipts for each student expected to participate). The receipts will be collected the day of your program. Reservation dates fill quickly, so don't wait until your receipts are collected to make your reservation.

Choose a program from the previous page, then complete the Outreach Reservation Form.
